Location: ZOOM

Date: July 28, 2020

Time: 10:00 AM

- Welcome called to order at 1002
- Call to order, read approve last quarters minutes. Minutes from last meeting were not available tabled until next meeting.
- Any visitors or first time attendees introductions no visitors
- Update on 2019-2020 fiscal year
 - updated on fiscal year standing and notified that generator project was completed along with Chester County EMR Project and PPE cache building
- Plans/Projects for 2020-2021 fiscal year
 - Sat Phone/Comms Project Phase 1 nearing completion. Covid dollars for upcoming year will be around \$260k to continue building PPE and covid response cache.
- Best practices discussion
 - Chelsie Denevan shared what her home health agency is doing as they begin to see covid patients.
- Announcements
 - Sarah Funderburk has stepped down as the Caucus chair. She has taken a job working for an insurance company and is no longer part of the home health world. She stated she'd be glad to help in anyway and that she was always available. Josh thanked Sarah for all that she has done and for being a willing and active participant in the full coalition and always being a great voice for caucus groups.
 - Please submit any project requests to Wayne or Josh Moore
 - The HCC has built a small cache of PPE and has resources available to help support short term as you wait on shipments from suppliers and TEMA. Please reach out to Wayne or Josh if you get into a situation where you have a critical need.
